

Play Your Part!

As a member of the Southwest Georgia community there are several ways you can help the Albany Symphony Orchestra continue to “make beautiful music” throughout the year and into the future.

Annual Fund

The Annual Fund provides significant support that enables the Albany Symphony Orchestra to offer quality concerts, childrens educational programs and community events like “Peppermint Pops”. This fund is the backbone of support for the ASO. With ticket sales generating only a small percentage of the funds necessary, it takes donations from individuals, businesses and foundations to allow the ASO to reach its financial and musical goals each year. Because we are a 501c (3) non-profit organization, we depend on the Annual Fund not only to survive, but to thrive.

Endowments

The Albany Symphony Endowment ensures the organization’s future. Funds donated to the ASO Endowment are invested for the organization’s ongoing sustainability and stability. Interest from these investments is used to support the organization’s annual operating expenses. All honoria and memorials donated to the ASO are placed in the Endowment to acknowledge the legacy of those honored.

Concert Sponsorship

Each performance in our annual concert series costs approximately \$30,000 which includes musician compensation, guest artist fees, facility rentals, marketing, production, ticketing expenses and administration. The annual concerts are possible through the following resources: ticket sales, annual fund donations, sponsorships, grants and special events.

We extend the invitation to play your part in enriching the lives of the people of Albany and Southwest Georgia. Your consideration in one or more of these areas will keep the music alive for us and generations to come.
